2007 Sponsorship Guidelines

The SAE Clean Snowmobile Challenge (SAE CSC) is a competition among US and international universities to develop a prototype snowmobile that meets the 2012 standards for exhaust emissions and noise output. These demanding requirements make this a unique competition in the development of engines, exhaust systems, and noise-treatment technologies.

More than 150 students are expected to participate in the 8th annual SAE Clean Snowmobile Challenge. Seventeen collegiate teams will test their engineering designs against one another during this exciting six-day event. Universities from Michigan, Idaho, Wisconsin, New York, Wyoming, Colorado, Ontario, Alberta, Quebec, and Maine are scheduled to compete.

Sponsorship of the competition provides your company with excellent exposure in support of engineering education and research. You can heighten your brand name among students, faculty, industry representatives, snowmobilers, environmentalists, and public-land managers. In addition, you will be helping to find a solution to the problems associated with snowmobile use in environmentally sensitive areas.

Levels of sponsorship range from Contributor to Platinum Plus. In addition to the benefits associated with each level, sponsors will have visibility in promotional brochures, press releases, the Clean Snowmobile Challenge program book, and the SAE student newsletter, as well as on the SAE website. As a sponsor, your company or organization will also have the opportunity to host a luncheon or banquet, access the student mailing list to market your products, advertise in the SAE student newsletter, hyperlink to SAE's website, provide volunteers to work at the SAE CSC 2007, become involved with committees, network with industry and academic professionals, and recruit future employees from among participating students in a cost-effective manner.

All contributions to the SAE CSC 2007 will be made through the Keweenaw Research Center, a nonprofit research arm of Michigan Technology University. Jay Meldrum, director of the Keweenaw Research Center, and William Predebon, chair of the Department of Mechanical Engineering-Engineering Mechanics, are the lead organizers of SAE CSC 2007.

If you are interested in becoming a SAE CSC 2007 sponsor, please contact Jay Meldrum at 906-487-2750, or jmeldrum@mtu.edu, or return your SAE CSC 2007 Sponsor Pledge Form to: Michigan Tech/KRC, 1400 Townsend Drive, Houghton, MI 49931

SAE Clean Snowmobile Challenge 2007 Sponsor Pledge Form

We pledge to sponsor the SAE CSC 2007 at Michigan Tech for the following amount.
(Check one and enter amount.)

- Contributor (<\$500) Amount \$ _____
- Supporter (≥\$500) Amount \$ _____
- Bronze (≥\$1,000) Amount \$ _____
- Silver (≥\$5,000) Amount \$ _____
- Gold (≥\$10,000) Amount \$ _____
- Platinum (≥\$25,000) Amount \$ _____
- Platinum Plus (≥\$50,000) Amount \$ _____

Our donation is enclosed

Funds will be available after _____
(Enter date funds will be available.)

Organization _____

Contact _____

Address _____

City _____ State _____ ZIP _____

Phone _____

Fax _____

Email _____

Would your organization like to request booth space for the resume exchange? YES NO

Please list contact information: Name _____

Phone _____ Email _____

Is there anyone at your organization who would be willing to attend the competition and work as a volunteer?

YES NO

For advertisement art specifications, please visit www.admin.mtu.edu/~ceverran/SAECSCadspecs.html.

Thank you for your support of the SAE CSC 2007!

Please mail or fax this completed form to:
